MIET
MODEL INSTITUTE OF ENGINEERING & TECHNOLOGY

Prince Sumberia

4th Semester CSE won the first ICDL Asia Digital Challenge Competition held at Singapore beating contestants from seven Asian Countries including China and Singapore.

INSIDE

The NAAC peer team handing over the peer-team report to the MIET Leadership Team on 12th October, 2017

MIET Accredited With Grade "A" by NAAC

MIET became the first and only technical institution in J&K to be accredited with "A" grade by the National Assessment and Accreditation Council in 2017.

The NAAC peer team visit to MIET was the second accreditation cycle for MIET with the "A" grade reflecting the significant progress made by the institution in achieving high-quality long-term outcomes in terms of student placements, research and development, extension and outreach, industry- linkages, skill development, faculty development and engagement with stakeholders. The high-profile NAAC peer team comprising Prof. H.V Tiwary, Former Vice Chancellor of Barkatullah University, Bhopal, Prof. K.S Ramakrishna, Pro Vice- Chancellor GITAM University, AP and Prof. M.L Kothari, Professor Emeritus, Electrical Engineering, IIT-Delhi visited MIET during 12-13 October 2017 and assessed the institution on seven comprehensive

criteria laid down by NAAC. The team also visited all departments, interacted with students, faculty, staff, parents and alumni and members of the Board of Directors and Managing Committee of the college in a series of structured meetings.

The NAAC peer team recognized the strong brand of MIET in the region, research and innovation carried out and campus greenery and ambience as perceptible institutional strengths during the exit meeting on the final day of the visit. They were especially impressed with the in-house developed Performance Insight-360 analytics software and three national-level awards won by the institute for this innovation. The peer team also placed on record their appreciation for the alumni engagement processes initiated by MIET especially the alumni awards and alumni mentoring program under which alumni mentor current students to help enhance their achievement levels. The peer team also provided valuable suggestions and inputs for further develop-ment of the institution.

Chairman MIER, Dr. Arun K. Gupta and Vice Chairper-son Dr. Renu Gupta lauded the MIET leadership team, dedicated team of faculty members and motivated students for this outstanding achievement. They also took this opportunity to lay down fresh challenges for MIET to raise the bar of performance further and continue to deliver outstanding value to all stake-holders.

Highlight

Six Distinguished Computer Science Professors from USA and Europe delivered keynote addresses on day one of the conference

Prof. Sartaj Sahni
University of Florida
USA

Prof. Sitharama Iyengar
Florida International
University, USA

Prof. Vijay Kumar

at Arlington, USA

Prof. Sanjay Madria
Missouri University of
Science & Technology, USA

ICNGCIS, 2017

International Conference on Next-Generation Computing & Information Systems

The International Conference on Next-Generation Computing and Information Systems, ICNGCIS, 2017 was organized by MIET on 11th-12th, December. The conference was sponsored by the All India Council for Technical Education (AICTE) and the conference proceedings were published by Conference Publishing Services (CPS) of the IEEE, USA. Prof. Ankur Gupta, Director MIET presented the welcome address and described the international conference at MIET as a milestone in the development of computer science research ecosystem in the state of J&K. He reiterated the commitment of MIET to develop high-quality research capabilities in computer science and IT with international mentoring and collaboration. Prof. Manoj

Glimpses

S. Gaur, Director IIT, Jammu was the Guest of Honor at the conference. The conference received 97 paper submissions out of which 35 were selected as regular papers and 14 were selected as short papers for presentation on day 2 of the conference.

Prof. Sartaj Sahni, a globally recognized authority in computer science from the University of Florida, USA delivered the inaugural keynote address and spoke about time and energy efficient big data computing algorithms. The second keynote address was delivered by Prof. Sitharama Iyengar from the Florida International University on the impact of Artificial Intelligence on the future of the Indian software industry. Post lunch two keynote addresses were presented by Prof. Sharma Chakravarthy, University of Texas at Arlington on Data Science and by Prof. Vijay Kumar, University of Missouri-Kansas City, USA on the Internet-of-Things space.

The final technical session concluded with keynotes by Prof. Torsten Braun, University of Bern, Switzerland and Prof. Sanjay Madria, Missouri University of Science and Technology, USA. The day concluded with light classical performances by reputed artists of the region.

Bentley BIM Advancement Lab Setup - Nov. 17
First Industry-Driven Center of Excellence for Civil Engineering

MIET and Bentley Systems, USA collaborated to setup the BIM (Building Information Modeling) Advancement Lab with cutting-edge, industry-relevant software catering to diverse sub- domains of Civil Engineering. The BIM Advancement Lab as inaugurated by Mr. Vinayak Trivedi, Vice President and Global Head, Bentley Institute in the presence of Prof. Ankur Gupta, Director MIET, Mr. Vinod Malhotra, Former Development Comm-issioner and Town Planner, Jammu, Mr. R. Arun Kumar , Manager India, Academics, Bentley, Ms. Charu Chaudhary, Relation Manager, North India, Bentley and Mr. Rominder Bedi, CEO, Innovative Systel. The Bentley BIM Advan-cement Lab is the first and only industry-driven center of excellence in civil engineering in the state of J&K and among the first few in North India. It will offer hands-on exposure to students on over 60 software packages from Bentley including STAAD, MXRoad and Context Capture.

AWS Cloud Computing Architect Certification

MIET became one of the first few institutions across India to collaborate with Amazon to offer the AWS Cloud Computing Architect training and certification to its students. The linkage was established in March 2017 and in the first phase Mr. Rishi Gupta, Manager Software Development and Mr. Purnendu Prabhat from CSE attended the five days instructor-led training for the AWS Cloud Computing Architect course at Pune from 26th to 30th September. The core of the training was to design cloud architectures for reliability, security, performance, efficiency and cost optimisation for varying customer needs and scenarios. The training was delivered by experts from Amazon USA. The tie-up with Amazon strengthens the already strong industry linkages at MIET with tie-ups in place with IBM, Microsoft, Cisco and Dell EMC.

DELL EMC - ISM Launched

MIET in association with DELL EMC launched a course on Information Storage Management. This course is intended for college students in Computer Science and Information Technology degree programs who seek a strong foundation level of knowledge about data storage technologies. Participants will gain knowledge of the core logical and physical components of a storage systems infrastructure.

DELL EMC - CIS Inaugurated

The Cloud Infrastructure and Services (CIS) course was launched at MIET for final year students. This course educates participants about cloud deployment and service models, cloud infrastructure, and the key considerations in migrating to cloud computing. The course covers technologies required to build classic (traditional), virtualized, and cloud data center environments.

Lessons in Personal Excellence - May 2017
Mr. Sanjay Koul - Country Manager, Apple India

Mr. Sanjay Koul, Country Manager, Apple India visited the MIET campus and delivered a Distinguished Lecture on Lessons in Personal Excellence which was deeply appreciated by over 250 students and faculty members. The audience listened with rapt attention as Mr. Koul retraced his journey as a school student at Model Academy in Jammu and the key lessons he learnt along the way. He also shared insights on important attitudinal and personality traits that are necessary to achieve success in the highly competitive corporate world.

Advances in Cognitive Technology - May 2017
Dr. Gargi Dasgupta - Senior Manager, IBM Research Center, India

Dr. Gargi Banerjee Dasgupta, Senior Research Manager, IBM Research, India delivered the ACM Distinguished Lecture on "Cognitive Computing" covering aspects of artificial intelligence, machine and deep learning, natural language processing and sentiment analysis for over 200 CSE and IT students and faculty members at MIET. Dr. Gargi received her PhD in Computer Science from the University of Maryland Baltimore County, USA in 2003. She has been with IBM Research since 2004 and heads the team delivering next-generation of cognitive solutions.

Prof. Dinesh K Pandya - IIT Delhi

Advances in Engineering - 5th May, 2017

Prof. Dinesh K. Pandya, IIT Delhi delivered a Distinguished Lecture on "Advances in Engineering" for the 1st year students at MIET. The objective of the lecture was to inspire students by highlighting the wonders of engineering and technology and its tremendous impact on the progress and evolution of the entire human race.

Dr. Manoj Saxena - Member IEEE

Research in Electron Devices - 29th Aug., 2017

The Department of Electronics and Communication Engineering organized the IEEE EDS Distinguished Lecture which was delivered by Prof. Manoj Saxena, Delhi University who is also a Senior Member, IEEE and Vice-Chair EDS Society. Dr Saxena covered recent trends in electron devices fabrication and simulation with focus on practical applications.

Prof. Rajiv R Thakur - IIM Jammu

Case Study Analysis - 3rd Nov., 2017

Prof. Rajiv R. Thakur, IIM Jammu delivered a Distinguished Lecture on Case-Study Analysis for over 120 students from the School of Management and other departments. He took students through case analysis techniques and interesting case-studies from international corporates to local businesses.

Mr. O P Vidyarthi - Director EERS

Environment and Technology - 21st April 2017

Mr. O.P. Vidyarthi (IFS), Sahitya Akademi Awardee and Director EERS, J&K Govt. delivered a Distinguished Lecture on "Technology and Environment". He explained the far-reaching impact of technological advancements on the fragile ecosystem and some steps to reverse the damage caused.

Director MIET Selected for Australia-India VELT Program

Prof. Ankur Gupta, Director, MIET was selected among 20 Directors/Principals of Technical Institutions across India for the Australia-India Vocational Education Leadership Training (VELT) program. Under this program, Prof. Gupta visited New South Wales, Australia from Feb. 24th to March 4th, 2017 on the invitation of the Australian Government for an immersive experience of the Vocational Education and Training (VET) sector in Australia. Prof. Gupta who visited 10 different TAFE (Tertiary and Further Education) centers was apprised of the pedagogical design of the programs, use of technology, focus on student experience, faculty development, quality assurance, industry-defined curriculum and skill outcomes.

ECE Faculty Bag Best Teacher Awards at ISTE Convention 2017

Mr. Jamini Sharma and Dr. Satyendra Kumar Singh from the Electronics and Communication Engineering Department were both felicitated with the ISTE (Indian Society for Technical Education) Best Teacher Award 2017 in recognition of their outstanding contributions as a teacher and their professional achievements. These awards were presented at the ISTE annual convention 2017 at Rayat-Bahra Institute of Engineering and technology in Ropar Punjab. MIET has one of the largest ISTE branches in North India with over 1200 student members.

Head, CSE Conferred with CSI Award

Computer Society of India(CSI) conferred the award for Longest Continuous Student Branch Coordinator (SBC) to Mr. Salim Raza Qureshi at SRM University, Ghaziabad for the year 2016-17. The award was presented by Prof. Hayes, CEO, American Society of Physics. Each year the award is presented to the longest and most active student branch coordinator amongst the 550 student chapters pan India.

Mr. Rishi Gupta represents MIET at India Startup Awards

Mr. Rishi Gupta represented team MIET at the India Startup Awards at IIT-Madras and Anna University-chennai in October 2017. The team from MIET comprising Prof. Ankur Gupta, Mr. Sahil Sawhney, Mr. Rishi Gupta and Mr. Purnendu Prabhat were shortlisted among the top ten finalists across India in the faculty-led startup category. This is a major achievement for MIET as its team was the only finalist from North India.

Director MIET Invited by AICTE Chairman for Demo of PI-360

Prof. Ankur Gupta, Director MIET had the unique privilege of being invited by AICTE Chairman, Prof. Anil D. Sahasrabudhe to the AICTE headquarters, New Delhi during Jan. 2017 for a demonstration of the National award winning quality analytics software, Performance Insight 360. Senior Professor from IISc and Chairperson of Rajiv Gandhi Institute of Petroleum Technology, Prof. K.B Akhilesh and Managing Director of ProSIM, Dr. S. Shamasundar were also present. Prof. Sahasrabudhe lauded Prof. Gupta for this significant innovation and greatly appreciated the idea, and the quality of the software built. He described MIET as a perfect example of a practicing technical institution, which goes beyond routine teaching. New ideas for building a next-generation analytics platform for higher technical education were also discussed during the meeting.

Suave Bajaj and Sumant Pangotra second and fifth from the left receiving cash prize and certificates from the Chairman AICTE Prof. Anil D Sahasrabudhe

MIET Students Win Big at I3 India

Snare 3 innovation awards, Rs. 40,000 Cash Prize

Sumant Pangotra and Suave Bajaj, brought laurels to the institute and the State of J&K by winning three awards at the 9th India Innovation Initiative, a national - level innovation competition organized by AICTE, DST and CII. The team from MIET emerged winners in the two - stage competition, first finishing in the top 10 in North-India at Chandigarh and then finally emerging winners at the all-India level in a competition which was open to over 10,000 technical colleges in the country. Sumant and Suave received the AICTE Most Promising Student Innovator Award with cash prize of Rs. Forty Thousand, I3-KLU-CIIE Best Student Innovator Award and the SIDBI Incubation and Mentorship Award.

The MIET team finished on the podium among the 40 finalists, who had been selected at all India level for the finals of the innovation competition at Delhi. Sumant and Suave worked on the project, "Message Authenticity Checking System", which is a first-of-its kind veracity checking application for messages shared over mobile messaging applications such as Whatsapp and Hike etc. The application builds a database of credible news from trusted sources automatically and then allows the users to fact-check the messages for authenticity. Thus, the spread of malicious and inauthentic information is prevented. Prof. Ankur Gupta Director MIET was the project guide.

Dynamic MIET Duo Extend TATA Crucible Winning Streak

Ankur and Sanjay, final-year CSE students retained their vice-like grip on the J&K leg of the prestigious TATA crucible quiz championship, by winning it four times in a row. The champion duo did it with style this year leaving the competition biting the dust. The finals started with Ankur and Sanjay taking control early on. It was a clear case of relentless preparation and ruthless performance as they moved into an unassailable lead. They finished with an impressive win this year and pocketed another Rs. 75,000 prize money to their kitty.

Google Selects CSE Student as Regional Android Facilitator

Sumant Pangotra, final year student from Computer Science Engineering Department, MIET received the unique distinction of being selected by Google for the prestigious Applied CS with Android facilitator program aimed at improving the android app development at the institutional level. Sumanth spent 3 days at the Google Office in Bengaluru attending a workshop on Android development. He will be responsible for conducting further workshops for students at MIET and helping create an ecosystem of android coders at MIET.

ACM Grace Hopper Conference

Sadhika Baloria and Samarpreet Kour, pre-final year students along with Ms. Shafallika Vijayal, Assitant Professor, CSE attended the two day Grace Hopper Conference organized by the Association of Computing Machinery at Bengaluru during 16th-17th November 2017. The event is an all-women technical conference celebrating women in technology.

MIET in Smart India Hackathon

A team from 7th semester CSE was selected to participate in the regional finals of the Smart India Hackathon, becoming the only team from the state to do so. The team comprising Atal, Uddhav, Sachin. Sanath, Palak and Niharika worked on A Smart Document Management System involving secure document sharing for Government agencies.

From Left to Right : Dr. Ankita Nanda, Prof Alka Sharma, Mr Vijayant Gupta, Mr Rajeshwar Dogra, Dr. Tinu Jain, Mr Sumit Kakkar, Mr Shwait Verma, and Mr Rohit Gupta

Panel Discussion on Digital Marketing

Marketing Forum, 2017 was organised by the MIET School of Management on the theme" Digital Marketing: The New voice of Revolution" on 02 December 2017. The Panelists included Prof. Alka Sharma, Director, The Business School, University of Jammu, Mr. Vijayant Gupta, DGM, Airtel, Mr Rajeshwar Dogra, AVP, ICICI Pru Life Insurance, Dr. Tinu Jain, IIM Jammu, Mr Sumit Kakkar, Station Director, Radio Mirchi, Mr. Shwait Verma, Branch Manager, HDFC Bank and Mr. Rohit Gupta, Adani & Wilmar Ltd. Dr. Ankita Nanda Asst Prof, MIET School of Management was the moderator for the forum.

CII Seminar on GST Awareness

CII J&K Council, in collaboration with MIET and Department of Commercial Taxes, Government of J&K, organized a session to create awareness on the GST. Ms. Anoo Malhotra, Additional Commissioner, Commercial Tax (Admn) was the chief guest for the session. Later queries from the audience were addressed by the expert panel. Ms. Malhotra delivered a session on GST overview & described it as a milestone tax reform in India post independance.

PHDCCI Masterclass on Startups

PHD Chamber of Commerce and Industry (PHDCCI) in association with MIET organized the "Startup Master Class – Chalo Start Karein" in February 2017. The aim of the Master Class was to create awareness on various startup initiatives of the Govt. of India, Govt. of J&K and agencies such as the PHDCCI, JKEDI and MSME. Around 250 students and 20 faculty members attended the event. Mr. R.S Barapatre, Director, MSME, J&K was the Chief Guest on the occasion.

Invited Lecture
Prof. Ashok Ogra
Director APJ Institute

Lecture on "Emerging Media Issues" was organized at MIET for MBA students . Prof Ashok Ogra, Director APJ Institute of Mass Communication, New Delhi addressed the audience & talked about Media world, Building Brand & Personal Brand, Integrated Market Communication, Female Economy.

Invited Lecture
Prof. Prakash Singh
IIM Lucknow

Guest lecture on Impact of Attitude in Personality Development was organized. Prof Prakash Singh from IIM Lucknow was the resource person. He talked about various facets of attitude viz Humbleness, awareness and Clarity & gave live examples of Success & Loss scenarios of the Business world.

Glimpses from Various Events

Round table with Hon'ble Finance Minister

World Consumer Right Day - Mar. 2017

Visit to Airtel Payment Bank - Jan. 2017

Visit to Big Bazar - Aug. 2017

Visit to SEBI - Oct. 2017

Students win at
JU Biz. Fest - Sep. 17

Nitsimran kour and Niyati Kapoor both final year students from School of Management won first prize in the annual Business Fest Rangasutra organized by University of Jammu. The students received the prize from Prof. R. D Sharma, VC, University of Jammu and Chef Manjit Singh Gill, Corporate Chef, ITC Hotels.

MIET shines at SMVDU
Biz. Fest - Jan. 17

The student team from the School of Management swept the awards at the Management Festival Tatva 2K17 organised by SMVDU on 28th & 29th January 2017, by bagging First Prize in three events and finishing runners up in the fourth. It was the best overall performance by any management institute in the region.

SAMMILAN
2K17 - Mar. 17

9th Edition of J&Ks Largest Techno-Cultural Fest, 3000+ students participate in over 40 technical, cultural and literary events

I Survive

Amazon Placement Drive

Sixteen (16) final-year students from Model Institute of Engineering and Technology got placed in Amazon Inc., Hyderabad at an annual salary package of 3 lakhs per annum. All selected students will receive a joining bonus of 1 lakh among other benefits. MIET is the only institute which Amazon visited for placements in J&K.

ICICI Pru Life Ins. Placement Drive

Students from the MIET School of Management once again proved their merit as 17 students of the 2018 pass out batch were recruited by ICICI Pru. Life Insurance Company during the Campus drive conducted on 1st November 2017. This is the single largest recruitment by ICICI Pru from any private management institution in the region.

Prof. B C Sharma
Joins as Dean Placements

Prof. B.C Sharma, former Professor The Business School University of Jammu joined MIET as Dean Placements and Professor in the School of Management. His joining shall help create additional placement opportunities for students.

Infineon Technologies Placement Drive

Sanchita Sharma **Ashish Kumar** **Mitali Sharma** **Rohit Sharma** **Dhananjay Sharma**

Infineon Technologies (formerly Siemens AG) selected five final-year students from MIET for their highly paid R&D internship programme during campus drive at MIET Jammu. The selected students will undergo an eleven-month internship programme at Bengaluru at a handsome stipend of Rs 25,000 per month. The last batch of 5 students recruited by Infineon in 2016 were regularised at an annual package of 10 lakhs.

Patents Filed

|	A SYSTEM AND METHOD OF AUTOMATED AUTHENTICITY CHECKING OF INFORMATION SHARED ON MOBILE MESSAGE SHARING APPLICATIONS
	Dr.Ankur Gupta, Mr.Rishi Gupta, Mr.Purnendu Prabhat, Mr.Sahil Sawhney

The proposed system enables users to verify the authenticity of messages received online by building a hierarchical database of authentic information from trusted sources on the internet and social media feeds.

	A SYSTEM AND METHOD FOR ORGANIZATIONS TO SECURELY ISSUE AND VERIFY OFFICIAL DOCUMENTS
	Dr.Ankur Gupta, Mr.Rishi Gupta, Mr.Purnendu Prabhat, Mr.Sahil Sawhney

The proposed system issues e-certificates and e-documents, generating a unique DOI for each certificate/document and imprinting it on the document which can then be verified electronically by any external third-party.

World Consumer Day Celebrated - March 17

MIET in association with World Consumer Forum celebrated the "World Consumer's Right Day" with Ch. Zulfikar Ali, Hon'ble Minister Food, Civil Supplies and Consumer Affairs as the Chief Guest. He highlighted the challenges in consumer rights protection in India and apprised the audience of the recent initiatives of the Govt. Later officials of the Drug and Food Department answered queries from the audience.

World Telecom and Information Society Day Celebrated - May 17

World Telecommunication and Information Society Day(WTISD'17) celebrated at MIET under the auspices of the student chapter of Institution of Electrical and Electronics Engineers (IEEE), USA. The theme for WTISD 2017 was "Big Data for Big Impact". Prof. Anju Bhasin, Vice Chancellor, Cluster University of Jammu was the Chief Guest on this occasion. A Women in Engineering affinity group of the IEEE was also launched.

Seminar on Gandhi Ji s Legacy

A Seminar on Gandhi Ji's Legacy and its relevance to engineering in the 21st centure was organized in association with Sarvodaya International Trust. Dr. Renu Nanda, Dr. Bhutyal and Mr. R. Robin attended the seminar. Prof. S.K Sharma, Director Academics also serves as the Vice President of the Sarvodaya Trustl, J&K Chapter.

Certification Course in Sanskrit Education

A course on "Non Formal Sanskrit Education" conducted by Rashtriya Sanskrit Sansthan under the MHRD Govt. of India was launched.   Dr. Purshotam Shastri was the resource person for the event. Students exhibited great interest in learning Sanskrit and 40 students got registered for the beginner certification course.

SBI Entrepreneurship Awareness Workshop

A Workshop on Entrepreneurship Development conducted jointly by MIET and State Bank of India in March 2017. Mr. Rakesh Bhan, AGM & Technical Officer, Consultancy cell, Head Office, Chandigarh was the resource person. Over 220 students and faculty from MBA, MCA & all Engineering Departments attended the workshop.

Google CS first club Inaugurated
workshop on Applied CS Program with Android

The programming focus at MIET was further strengthened with the launch of Google CS First Club. The students undertook structured curriculum framed by Google using MIT development framework during the course of 8 activities to develop small mobile applications based on the theme of Social Media. Purnendu Prabhat, Assistant Professor and students Joyjit, Arjun and Kushagar coordinated the entire event.

Quadcoptor Workshop

A Quadcoptor workshop was organised for the MIEt students in December 2017 by Aerotrix. This workshop helps students to develop a Quadcoptor project from scratch while understanding the various engineering concepts in making a working Unmanned Aerial Vehicle.

Workshop on Web Entrepreneurship

Two day workshop on Web Entrepreneurship was organized for the MIET students in March 2017. More than 100 students from different departments participated wherein students learnt the various skill set required for setting up e-commerce venture.

Industrial Visits

ECE visited Indo-Swiss Training Centre and Semi Conductor Labs at Chandigarh on 17-04-2017.

Electrical Engg. students visited Kishanpur Manwal Grid station on 09-09-2017.

40 students of 4th sem, EED, 2015 batch attended the industrial visit in PDD, Narwal on 11-03-2017

Managing Committee Meeting

Meeting of the ninth Managing Committee of MIET was held in Oct. 2017 wherein a detailed report on the functioning of the institute and key outcomes was presented before the August members including Director, CDC and Dean Engineering of Jammu University. The committee recorded its appreciation on the overall progress made by MIET on all fronts.

Visit of Commissioner Secretary Higher Education

Mr. A S Samoon, Commissioner Secretary Higher Education, J&K along with Secretary Law, Mr. Abdul Majd visited MIET in Nov. 2017. Mr. Samoon was shown the PI-360 analytics framework and apprised about MIET's achievements. Mr. Samoon complimented the MIET leadership team on its achievements and assured full support of the J&K Govt.

Director Campus Experience Joins at MIET

Mrs. Ruchika Gupta, joined MIET as Director Campus Experience in August 2017 with a mandate to enhance campus ambience and improve campus life for all stakeholders. She has 13 years of experience in academic administration and a background in advertising and sales. She has introduced several initiatives in a short span of time which have been greatly appreciated by all at MIET.

Strategy Document Released - Jan. 17

MIET
STRATEGY
2017-2022

The MIET strategy document was officially released in January 2017 by the leadership team after extensive deliberations. The strategy document driven by Manager Strategic Initiatives, Mr. Sahil Sawhney, captures the core values of MIET besides identifying transformational and enabling strategies which are expected to ensure that MIET remains ahead of the curve in higher technical education in the J&K State.

Faculty Mentoring
Program

Advanced Mentoring Program for leadership develop-ment was a full one year training program organised for developing the second line of Leadership. Eleven faculty members from across departments were hand-picked to participate in this one-of-a-kind initiative. At the beginning of the year, the participants carried out a SWOT analysis, created Individual Development Plans with well-defined KRA's and objectives with self-defined time-line for completion. Monthly review meetings were carried out By Prof. Ankur Gupta and Prof. S K Sharma who drove the mentoring activities.
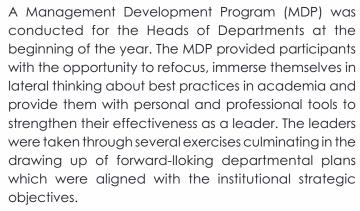

Management Development
Program

A Management Development Program (MDP) was conducted for the Heads of Departments at the beginning of the year. The MDP provided participants with the opportunity to refocus, immerse themselves in lateral thinking about best practices in academia and provide them with personal and professional tools to strengthen their effectiveness as a leader. The leaders were taken through several exercises culminating in the drawing up of forward-lloking departmental plans which were aligned with the institutional strategic objectives.

Competency Building
Programme

The IQAC Cell organised a comprehensive Compe-tency Building Program for the final-year students of all branches covering over 200 students. The students were exposed to interview techniques, group discus-sions, personal grooming, communication and presen-tation and maintaining positive body language. Hands-on resume building sessions were also con-ducted and at the end students received a compre-hensive evaluation report with recommendations and suggestions for further work. The students greatly appreciated this initiative of the IQAC.

Computer Science Engineering Department wons the MIET PREMIER LEAGUE by beating Electrical Engineering Department in a high scoring contest. Batting first CSE scored a total of 140 in 12 Overs. EE could manage only 112 in the stipulated 12 overs on the loss of 8 wickets. Kr. Sakeat was adjudged the Man of the Match for his brilliant all-round performance with bat and ball scoring 40 runs and taking 4 wickets. Kr. Sakeat made it a double by winning the Man of the Series award for his outstanding performance in the entire tournament.

Adirath Kesar, 7th Sem, EE and Aanish Kumar 1st Sem CSE brought laurels to the institution by winning Gold medal in fencing at JU sports meet.

Virbhadra Singh (in Yellow T-shirt) won Gold Medal at Inter-College JUDO Championship 2017-18, at Jammu University in October 2017

OPEN CHESS Championship
March 2017

TABLE TENNIS Championship
March 2017

Suvidha from EE won Bronze Medal in Rollball at 14th senior National Belgum, Karnatka

Pushpinder from CSE selected for Inter- University Cricket Championship

Nasrullah from CSE selected for Inter- University Cricket Championship

Rupali from IT selected for Inter- University Fencing Championship

Hemant from CIVIL selected for Inter- University Softball Championship

Singing Sensation - ISHIKA

Meet the new singing sensation from MIET–Ishika! She has recently recorded a track under renowned sound track "Speed Records".The track "Ranjhana" has received stupendous response on YouTube.

Owais Bhatt
Tera Bina

Upcoming Star-OB

Owais Bhatt, from the MIET School of Management released his new album "Tera Bina" on 7th Oct 2017. He has written the lyrics, composed the music and sung all the songs in the album. What a talent!

Flute Recital - Spic Macay

Spic Macay in association with MIET organized a flute recital by renowned international flute and shehnai guru Pt. Rajendra Prasanna. He was accompanied by Mr. Lalit Kumar on the table.

Aporva Amla wins at JU

Aporva Amla, second year student of Computer Science Engineering won the third prize in the Classical Vocal category at the Display Your Talent competition held at the University of Jammu.

Show @ MIET

Rjs from Radio Mirchi 98.3 FM, J&Ks latest FM station, Shwetima and Nishant Vikram conducted an open house at MIET with rollicking performances, fun and games. It was a fun-filled afternoon indeed.

MIET Adopts Amb Village
under Social Responsibility Initiative

The NSS unit of MIET, "Prayaas" adopted Village Amb in Block Bhalwal, Jammu as a part of its social responsibility initiative. Over 100 volunteer students from MIET in the presence of Prof. Ankur Gupta, Director MIET, Maj. Gen. (Retd.) Prof. S. K Sharma, Director Academics participated in the event. The aim of adopting the village was twin-fold; firstly to create a positive social impact in the nearby areas by helping the underprivileged and secondly to inculcate the value of giving back to the society among the students.

Vigilance Awareness Week - Sept. 17

Vigilance Awareness Week was organized to create awareness on prevention of corruption in society.

Blood Donation Camp - Feb. 17

Blood Donation Camp was organised for Thalassemic children on 22 Feb., 2017 at MIET Campus.

Swacchta Pakhwada Drive - Sept. 17

Cleanliness drive was carried out in the college campus for two days on 15th-16th September, 2017.

CONNEXIONS 2017
Alumni Meet and Award Function - 15th Nov. 2017
